INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, we're almost at the end of 2014, and I just noticed: I haven't answered any of your personal questions since the March issue. :(Please don't spank me!* Here goes:

Bob T. from Tennessee asks, **"Have you ever watched a guy shoot off on his belly and chest and then licked him clean?"**

The answer is no, followed by my own question: "*Why* have I never done that!?" It sounds *so* sexy, not to mention yummy. Although, I do have a question of my own: Would a guy *mind* if I asked him to come on himself instead of, say, on my titties?

Keith from Texas writes, **"The vibe stuffed inside your pussy [in the April 2014 issue] was incredible! So how was it? Did it feel good or great?"**

It felt AWESOME. I *love* my toy. No, it can't take the place of a real, hot, throbbing cock—but it's way easier to hide in my desk drawer at work. :)

Finally, D.C. from Utah has a request, **"I would like you to ask the girls: Do they shave or wax their pubic hair?"**

This seems like a question for the girls, but it's actually very personal to me. I know for a *fact* that they wax—shaving could never make their pussies so smooth to the touch. ;)

Love you guys, love these questions. Gimme more more MORE!

xxx Lindsey

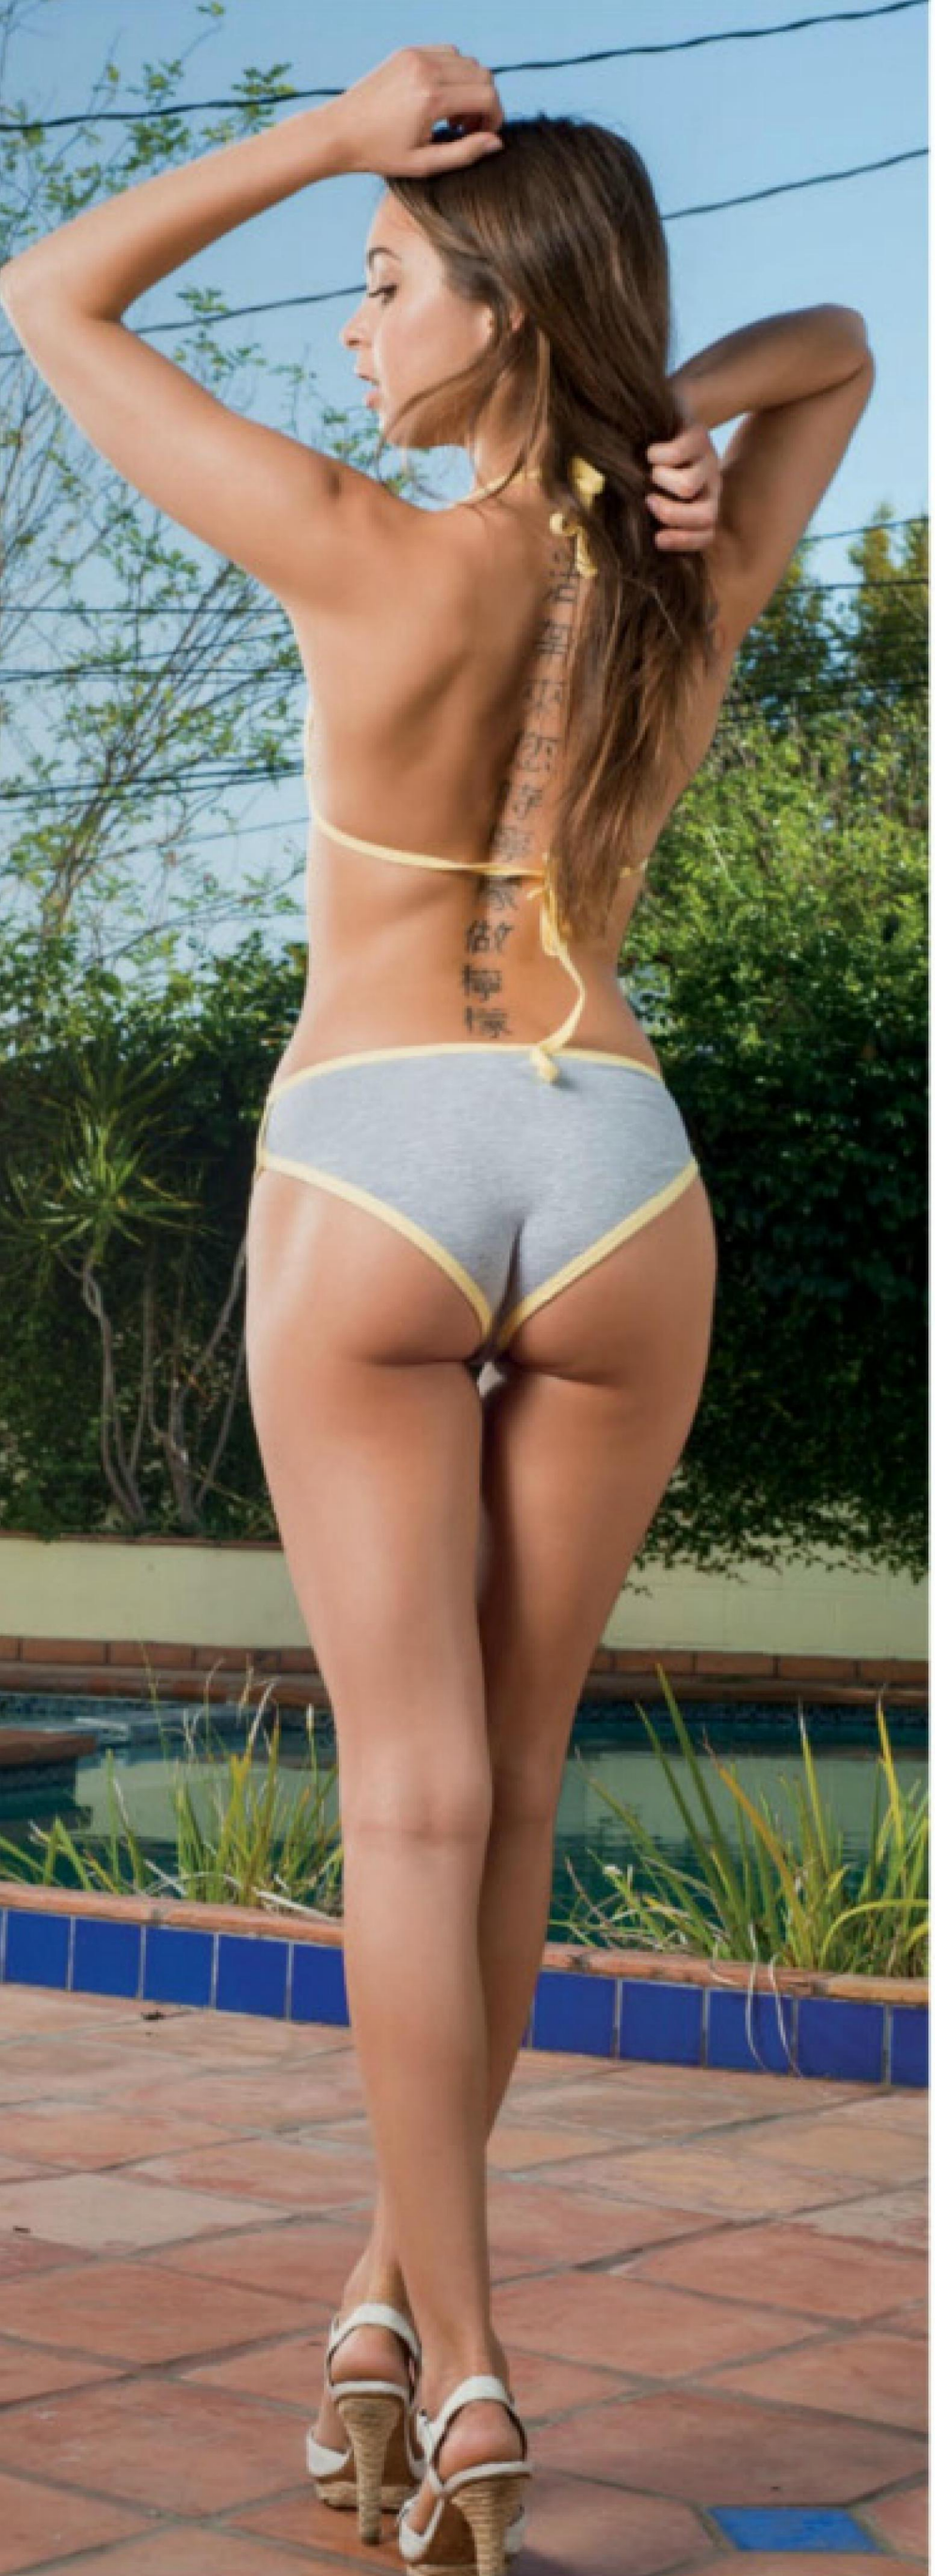
RILEY REID

puppy love

PHOTOGRAPHY BY DAVE NAZ



Hey, it's Lindsey. Stacy the intern is *so* mad at me for "stealing" porn star Riley away from her. You got to talk to her last time, Stacy (August 2012)! *My* turn.

Hey, Riley! What's it like being the cutest girl on the face of the earth?

LOL! Look in the mirror and tell me!

Our readers were already in love with you, and now you've added bush. Are you trying to kill them?

No, I love them! I live for love.

Are you actually *in* love with anyone?

I'm in love with my two stinky snuggle monsters, Kilo and Princess Kitana. They're the best pups ever.

What do you do when you're not working?

My favorite things are hiking, blowjobs, and giving blowjobs while hiking. I'm also building a fairy garden.

What's your favorite guilty pleasure?

Cookies. I can't have cookies in the house, or I will eat them all in one day. On the plus side, they go straight to my booty. ;)

AGE: 22
HEIGHT: 5-4
WEIGHT: 107 POUNDS
MEASUREMENTS: 32A-25-36
HOMETOWN: MIAMI

What's the best way for someone to turn you on?
Give me a booty massage. Or just kiss me. I can never get enough kisses. Kisses and cookies!

What makes you come the hardest?
Analingus.

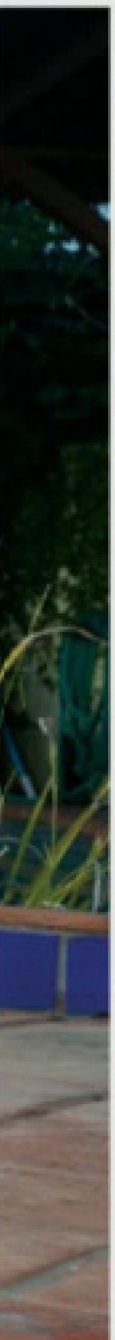
What's your favorite way to fuck?
I *love* morning sex. The only problem is, that's when Princess Kitana wants to get fed.

Does she scratch at the bedroom door?
No, she waltzes right in and watches! It's unnerving.

Do you think she's jealous?
No, I think she's critiquing me. Especially during doggy-style. LOL!

Are you still enjoying porn sex?
Absolutely! I never get tired of shooting scenes—and sometimes I think we really make magic.

Riley, *you* are magic. ★



See Riley in *Hustler's Amateur Action 4*.

AUGUST 2014 PANTY CONTEST WINNER!

Rick, we're mesmerized, too—by your dazzling letter! Lacey's little undies are all yours!

Dear BARELY LEGAL,

I have been an ardent fan of your publication for well over a decade. I have written a couple of fan letters, which you were nice enough to publish, but never made the effort to enter a panty giveaway contest. I guess this is because my response to what I would do with the model's panties would be pretty cliché: I would sniff them, taste them, and place them over my dick in lieu of tissues and feverishly jerk off.

If I were fortunate enough to win the beautiful Lacey Johnson's pretty little green fullbacks, I can't say I'd do anything different than what I just described. The reason I am entering is not because of what I would do with Lacey's panties, but because of the girl on which the panties belong. No matter how expansive one's vocabulary may be, there are no adjectives in the English language to describe the depth of Lacey's beauty. She is in that rare but revered class of "girls too beautiful for porn." Which makes the fact that she did this photo spread all the more titillating.

Speaking of tits, is there anything more adorable than that cute little freckle above her right breast? Every inch of this goddess's 5-9 frame is perfection. Those seductive eyes. Those perky tits. That flat stomach. That mouthwatering shaved pussy. Those silky-smooth long legs. That perfect round butt and tight little pink asshole. And, oh my, those lovely feet and flawless toes, which I fantasize about sucking individually for long stretches of time. I feel guilty being able to feast my eyes on this girl for nothing more than the cost of a magazine.

To win the panties of whom I consider to be the hottest girl in the history of the contest would truly be an honor. I would keep the panties, along with the August issue, in a sacred place, which I would visit any time I wanted to lose myself in the power and sheer joy of this 18-year-old bombshell.

Lacey, you mention wanting to branch out into movies as a future goal. Sign me up in advance for each and every one. You have already starred in several in my head.

Mesmerized,
Rick Becker
New York

Dear BARELY LEGAL,
Once in a while a BARELY LEGAL model strikes my fancy as exceptional. All of the young ladies in your wonderful magazine are very nice on the eyes, but your August 2014 issue had one very special young lady who I immediately fell in love with: the Teen Queen of the Month, Mery. She is self-conscious about her nipples, where one is larger than the other. Well, let Mery know that I find that special feature of hers irresistible. I would be compelled to take each nipple between my lips, suck and lick each one to determine which I preferred. I know I would enjoy both equally, but I would convince Mery that I would have to repeat that procedure each and every day just to make sure—you know, for scientific reasons. ;) Then, you have her perfectly lovely face with that brilliant smile, perfect hair, and adoring eyes. So kissable! And her body? Perfect! I would cover every inch of her 5-2 frame with passionate kisses until I reached her perfect little pussy and butthole, where I would spend countless hours kissing, licking, and sucking those most luscious areas. She is a very special girl—I hope she never forgets it.

Her fan forever,
K.J.
Wyoming

K.J., I never will forget it, thanks to you! Love you! ***—Mery***

Dear Lindsey,
Love the magazine. Sofia (January and June 2014) was great. Angie (January 2013), WOW. Sure hope to see her again and again. Monica (February 2014)—looking close you can see the unshaved underarms. Terrific. Polly (BARELY LEGAL Classic, May 2014) was great.

As you may have guessed, I love the hairy girls in your mag. I especially like the hairy armpits, and I know I'm not alone. Case in point: Look at the April 7, 2014, issue of *People* mag with Madonna lifting her arm to show her new style.

Keep up the good work, and an occasional breast piercing is just great.

Thank you for a great magazine,
Casey
South Carolina

Dear BARELY LEGAL,
Sofia is a goddess. Those beautiful Oreo cookie eyes looked right into my soul. That amazing bush will forever be burned into my memory. Oh, I would love to be her lover.

I spent hours thinking of what to write to her—then Monica shows up to steal me away with her luscious underarm hair. So beautiful.

I know I'll never have either, but I want to taste them both. At least I can enjoy Sofia and Monica in my fantasy.

I truly don't believe those beauties can be outdone—but you have some very good scouts. I will be checking out their progress.

D.R.
North Carolina

Casey and D.R., you'll be happy to hear that muff-tastic Monica returns next month, in our December issue, and her pits still have peach fuzz. As for our scouts: Did you see our August issue, D.R.? ;) ***—Lindsey***

Dear BARELY LEGAL,
I have been a subscriber for over 10 years. I am writing to commend you on your fabulous August 2014 issue. Your girls Lacey, Whitney, Mary, Vanessa, and Ariana Marie were all incredibly exquisite. However, the biggest turn-on for me was Lena.

I have had an armpit fetish since my first time. I have smelled the armpits of every girl I have had sex with. Only three shared the fetish, but the others (there weren't that many) soon realized that armpits when French-kissed are an erogenous zone. The best is when a girl showers regularly, does not use deodorant for several hours before sex or washes it out, has armpit hair, and is a little sweaty.

My sex life was at an all-time low, but masturbating to the girls in the August issue, especially Lena, has awakened me. I hope my comments are not out of line.

Anton C.
Connecticut

Not out of line at all, Mr. C.! You can say anything here, especially when it's a valuable sex tip. Next time I'm with someone, I might just give their pits a smooch. Thank you! ***—Lindsey***

NATALIE MONROE

separation anxiety

PHOTOGRAPHY BY DAVE NAZ

Good day, gentlemen! Stacy the intern here. Natalie loves penis more than any girl I know—and that's saying something!

Hey, Natalie! Why do you like posing nude?
I like showing off.
Do you ever get naked in public?
Yes, it turns me on being bad.
What do you think is your best feature?
I like my ass—it's squishy.
Do you wear panties?
Half the time.
Awesome, we got the good half! How often do you masturbate?
At least twice a day, with my Magic Wand. :)
What turns you on the most?
Dirty talk, romantic stuff.
What kind of guys do you like?
Sweet guys. Nerds.
Do you like to suck cock?
It's amazing. I can't stop!
What do you mean?
I mean, even after they come, I keep licking and sucking. 'Cause, you know, a lot of guys are still a little hard after coming. I can't let it go to waste!
Of course not! Are you a spitter or a swallower?
Swallower. Why not? It tastes good.
How do you like to be fucked?
Bent over, nice and hard.
Where do you like a guy to come?
Inside of me—it's my favorite. <3 The best feeling is when they come and leave their cock inside me, resting.
They have to pull out *eventually*.
I know. :(That's the *worst* feeling.
Have you ever had sex in public?
Yes, many places—courthouse, Macy's fitting room, outside.
Omigod, a *courthouse*?!
Yeah! Don't worry—he came inside me. No evidence. LOL!
What's your favorite fantasy?
Getting teased a lot before sex, like in *Fifty Shades of Grey*.
And what's your dream date?
Candles, slow music, romantic, but fucked hard after.
Finally, what are your future goals?
My main goal is to make movies. Then I'll always have a cock inside me. :) ★

KATTIE GOLD

go to extremes

Hello! It's Abby the intern. If you don't know by now, Czech girls are *crazy*—and Kattie is the craziest of them all. I want to be just like her!

***Ahoj*, Kattie!**

So cute, your Czech!

Has anyone ever told you that you look like Lindsay Lohan?

Lindsay Lohan—*pfft*. She *pretends* to be a bad girl. I'm the real thing.

I'll say! Your porn résumé reads like something out of *Fear Factor*.

Is it very scary?

I mean, you do anal, DP, orgies—everything extreme.

I like to go as far as I can with my body and see what feels good.

What feels best about butt sex?

The tightness and fullness, of course. But I also like the psychological feeling of doing something...uncommon.

PHOTOGRAPHY BY JANA KRENOVÁ

You know, not everyone does anal.

That's for sure! What do you like about double penetration?

Twice the tightness and fullness! And being with two men at once, you feel special. They are both devoted to you.

You've done ass-to-mouth. I like anal, but that might be too much for me.

But it's your own ass. Don't you like to taste yourself?

I've tasted my cooch, but...

I love to taste my pussy on a cock, my ass on a cock. I love to swallow a man's cum. I love to lick up a girl's juices.

AGE: 24
HEIGHT: 5-7
WEIGHT: 125 POUNDS
MEASUREMENTS: 34C-24-34

You're very oral.
Of course! But sex uses *all* of your senses. You taste their fluids, smell their sweat, see their beauty, hear their animal noises, and touch them everywhere. Sex is the best experience in the world!

You're really opening my eyes.
Good! Now open your mouth, too. Don't miss out on anything! ★

my first time in the booty

a BARELY LEGAL confession
by nikki lavay

Hey, it's Lindsey. *Porn starlet Nikki Lavay is famous for her tight booty—but this juicy tale is for BARELY LEGAL readers only!*

Okay, so this is the weirdest thing. The entire civilized world knows my ass. You've all seen how my booty is able to butt-swallow fat cocks in a single gulp. You might think, Fuck me! This chick must have been born with a pacifier in her anus!

So try to wrap your mind around this bizarre reality: There was a time when I had never been fucked up the ass.

That pop I just heard must have been your mind blowing! Oh, wait a sec, it was just the sound of my trusty butt plug ramming home. I always slap one in when I tell this story.

Once upon a time, long, long ago, way, way back when I was an impressionable girl of 18 years and one month old, a wise female elder, she was 20, told me that every woman's most sacred asset is her butthole.

"Save it," she said. She lifted her pussy off my mouth and inched her thighs back from my ears so I would be sure to hear what she had to say: "Save that asshole for the man you

marry. Butt sex is the key to you getting to do whatever the fuck you want and not having to get divorced because of it."

So I held off. I mean, my cheeks were sweating to get ground into a wet mash of sex flesh and orgasmic secretions, but I have discipline. It took forever, about four weeks, before I gave in.

My first bone in the ass was this married man, older, around 30. Full disclosure: He's my accountant, Marc. He has dark hair, like me, but he's about four inches taller than I am (when I'm in heels). He's pretty tight physically for his age. There's a bit of a potbelly, but it's not a problem.

No one has any secrets from their accountant, and I guess me being so open made him feel that he could confide in me. "My wife," Marc said, all whispery and secretive, "I love her, but I only really asked her to marry me because she started fucking me with her ass."

"Oh, wow," I said, "romance is so cool."

"*Was* so cool! Now that she has the ring on her finger, she's put her sphincter off limits."

"That's exactly the opposite of the way it's supposed to work," I said.

We were in my Mini Cooper (best booty on a small car) on the way to inspect a condo I was considering as an investment for my porn money. I punched the gas. We both had a pretty clear idea of what was going to happen when we pulled up at that condo.

We headed straight for the bathroom to "check the plumbing." Marc sat naked on the rim of the tub with his shins disappearing into the soap bubbles. He was using one hand to keep his big cock from bobbing up toward his little belly.

I massaged soap into my butthole and scrubbed the little stretch of super-sensitive skin that connects my butthole to the bottom of my pussy. My back was arched and my ass was raised. Marc couldn't have mistaken my intentions unless he was blind. I used both hands to lather up suds across the entire surface of both of my chubby, firm, delectable cheeks.

That fat, one-eyed cap on the tip of Marc's cock stared at my asshole like a pervert with one thing on its mind: Maybe I wouldn't be able to take the entire width and length, but that blunt knob intended to burrow as much of itself as it possibly could into my virgin poophole.

Marc came down off the lip of the tub and surged toward me in the water. I gritted by teeth, biting down in preparation for that first anal plunge!

He took my ass completely by surprise. With. His. Tongue.

"There's soapy clean," Marc said, "and then there's dirty clean."

I never could have guessed this sweet bliss! His tongue was meaty and muscled and wet. It had its way with my crinkle bud, shoving, then licking, then shoving again. At first I was a little self-conscious. I mean, no dude had ever put his face so deep down the backside before.

He twirled the tip of his taste buds into my clenched ring, and my whole bottom half went limp. My asshole opened—confident, pristine, delicious—and I felt the beefy sides of his tongue sliding fully within its slippery, elastic grip. This was the most empowering sex I'd ever had. Not only was I perfectly comfortable with a man burying his mouth and nose in my ass crack, I was fairly sure I'd be able to take the whole of his fat cock in my tight little back vent.

"Go ahead," I said. "I'm ready. Fuck that ass."

But Marc refused to be rushed. His tongue slid out of my ass like a slow leak. He took a few moments to spank my cheeks, delivering crisp, sharp slaps that shook me from my asshole out to my vagina and beyond. A prickle of anticipation spread up through my belly to my tingling nipples and my flushed face. I reached both hands back and grabbed the slabs of my booty and pulled them apart.

"Put it in my ass!" I might have been yelling. I was a little out of control.

Marc's fat, hard knob pressed up against that thin ridge of flesh I was talking about, that supersensitive piece of skin between my pussy and my poophole. The cock head pushed and wavered on

those slippery few inches. It twisted and—to my sweet dismay—slid fast and hard into the gushing depths of my pussy.

Marc grabbed my hips and thrust in harder, pulling my ass down so that his cock corkscrewed inside my cooch. He twisted and bucked, riding my back as if he meant to squeeze his entire being up inside me. I was coming, way faster than I wanted to.

"You dope!" I yelled. "I wanted to lose my ass cherry!"

He spun me around so fast that I lost my breath. I splashed down with my tits pointing to the ceiling. While I sucked in air, open-mouthed, Marc lifted my legs so my ankles were back behind my ears.

"Watch this," he said.

He pulled his cock out of my pussy and positioned the head against my hungry asshole. He used a hand to guide and push his dick, gentle but firm, into the tightest hole on my body. When the head was all the way in, Marc stopped. He waited while my ass got used to its first visitor.

It hurt, I'm not going to lie, but it hurt in a way that made me want to take more of it.

"Don't stop!" I begged.

Bit by bit, Marc's cock disappeared into my ass until the whole thing was inside me. At first, he just flexed his dick. My mind almost melted from the mix of pain and pleasure. I lost track of time, and my ass muscles slowly relaxed. Marc seemed to know I had opened up. He was free to move around, and he thrust and pounded as hard as he had in my pussy. I'm not an orgasm counter, but even if I had been, I would have lost track and had to round off the number.

All I know for sure is that every time Marc was about to come, he'd slow way down and pull his cock out so the cap came back outside of my ass.

"Look at it," he'd say, watching my asshole contract and shut. Then he'd slowly slide his cock back into my lovingly stretching sphincter.

By this time, I was squeezing about half of my hand into my pussy, and I could finger his cock through the sugar walls. I just knew it was about to cough up a wad. But he'd stop and take it all the way out again. We'd watch it throb while my asshole shut and puckered and begged for another poke.

Finally, on the last poke, I felt a hot blast deep inside my colon—the perfect ending. I let a little jizz dribble out, which only got Marc going again. Not that I minded!

So, the moral of the story is that I didn't save my asshole for some man I'll marry. In fact, I don't even save my asshole just for married men.

But when I do fuck a married man, I always make sure he unloads in my booty. For old times' sake. For first time's sake. ★

Hey, it's Lindsey. Porn starlet Sierra is a "nudist, tree-hugger, poet, Pisces"—and our grooviest Teen Queen ever!

About me: I'm a child of Mother Earth like all of you. :)
Reason for going into porn: To escape from society's cage.
Favorite animal: My spirit animal, the beetle, which represents transformation, communication, and eternity. :)
Favorite hobby: Traveling. It's my *second*-favorite part of my job. ;) I also like making things—I'm currently working on some hand-crafted, chakra-themed hula hoops.
Proudest achievement: Quitting smoking. :)
Favorite guilty pleasure: Chocolate cupcakes topped with cookie dough.
Pet peeve: Disrespect toward the adult industry. It's one of the most honest industries out there!
Biggest turn-on: French kissing really, really slowly.
Biggest turn-off: A closed mind.
Favorite sexual activity: Sneaking up on my lover while he's working or watching TV and jumping his bones.
Spit or swallow: To quote my friend Emily Grey: Are there really girls that don't swallow, or is that an urban myth?
Favorite fantasy: I don't have one myself—but someday I want to write a book filled with every fantasy ever requested by my fans. It will be as thick as a dictionary. ;)
Craziest porn-star moment: Walking down the street and hearing a huge group of people I've never met cheerfully scream my name.
Best advice for aspiring starlets: Being glamorous is part of the job, but remember that you don't need all of that makeup to be beautiful. Let your natural beauty shine through.
Words to live by: From the Dalai Lama: "The more we are concerned for the well-being of others, the closer we will feel to each other."
Goals in life: To finish building my yurt, and to keep making movies I'm proud of for an industry that I'm proud to be a part of! ★

KIERA WINTERS

ice princess

Hey, it's Lindsey. The last time we saw porn starlet Kiera, her face was buried between Jenna J. Ross's thighs (January 2014).

Hey, Kiera! Was it lonely posing for us all by yourself?
LOL! Yes! Hold me!
Don't tempt me. Back in January you had just started doing boy/girl scenes.
Yes. I do them all the time now. Once I took that first plunge, it was easy.

Do you still do girl/girl, too?
Of course! I've even done girl/girl/*girl*. The more pussies, the merrier. :)
Which do you like to do more, girl/girl or boy/girl?
Aw, don't make me choose! I don't want anyone to feel left out.
What would you say is the most interesting thing about you?
That I'm a total princess and love girly stuff like lingerie and heels, but I also love boy things.

What kind of boy things?
Like, I LOVE the [L.A.] Kings. Nothing makes me happier than watching them kick ass and slam heads.
You must have been excited when they won the Stanley Cup.
I had to change panties twice!
What do you do for fun during the off-season?
Play videogames, watch TV. I was *so* sad when *True Blood* ended. That was my favorite masturbation material!
Do you masturbate a lot?
I do when I'm single, like now. Where are all the single tattooed men?!
What do you see in your future?
I want to learn how to DJ and/or play drums. I mean, I can't do porn *forever*.
Don't make us sad!
Okay—I'll do porn for as long as you all want me to. ;) ★

Tiny 19-year-old **Riley** from Ravenna, Ohio, is "pretty confident and satisfied with my body" and decided to pose for BL "to inspire other people that they can be beautiful and can do anything they put their mind to." The 5-1, 95-pound pixie was in gymnastics for three years, but these days Riley is more interested in having sex with ropes and on staircases. (Good thing she's flexible!) Riley says anal sex is "more pleasurable than fucking my pussy if you know what you're doing. LOL!" When she's not busy getting boned up the butt, this "aggressively sexy, adventurous" angel enjoys dancing, shopping, and playing *Call of Duty*. A hopeless romantic, Riley dreams of one day being "naked in Paris at the Eiffel Tower," and her favorite fantasy is to "have sex in a giant tub of whipped cream." RILEY RAY

better late than never

PHOTOGRAPHY BY SAGECHICKS.COM

Hello again! It's Abby the intern. This is veteran porn star Riley's first time in BL. Please don't hate us!

Hey, Riley! Why did you want to pose for BL?
Dude, you're my favorite magazine. I'm a subscriber!
Wow, I never met a subscriber before.
I've also been waiting *six years* for you guys to ask me.
Hey, don't blame *me*! I wasn't here six years ago.
It's cool. Better late than never.
Well, you look good for an old lady. ;)
LOL! It's my German/Irish/Cherokee blood.
Sexy! So, this is your first time in the magazine, but you've actually been in a bunch of BL movies. How do you like being in porn?
I love it. It can be really long hours, but it's such sexy fun. Barely work at all.
What do you do when you're not working?
I love being a vegetable, just listening to music or watching TV.
Who's your favorite musician or group?
It's crazy, 'cause I never liked country music before, but I *love* Taylor Swift—especially her songs about idiot boys who break her heart.
Has anyone ever broken *your* heart?
Yeah—I just got dumped by a guy recently. But it's okay. Don't chase 'em—replace 'em!
Have you already replaced yours?
No. All I have right now are my furry babies. But sometimes they're all the love I need.
What about when you need sex?
With my job, I don't have to worry about that. My pussy's getting wet just thinking about my next shoot!
What a coincidence! Mine, too! ★

LIZ

dirty girl

PHOTOGRAPHY BY BOB TWIGG

JULY
BARELY LEGAL
CLASSIC
1999

Liz looks like an average, healthy, legal alterna-teen, but she is burdened by a social stigma. "Guys call me 'Dirty Girl' and 'Dirt Hole.' I went on a date with this jarheaded frat boy named Sean. Sean was a backdoor virgin with a huge cock. We were at the drive-in, totally wasted. I told him I liked it up the ass. Sean bent me over the front seat and hiked up my skirt. He slid his meat helmet inside my shitter. I jacked off his dick with my sphincter until he shot his load in my ass. I should have known a Catholic guy like Sean would have massive religious guilt after sodomizing a chick. The next day, I saw him at 7-11. He said, 'Hey Miss Nasty Hole.' " Liz massages her maligned sphincter. "I told him my butthole is cleaner than his mother's mouth. I may be a dirty girl, but at least I can fuck with a clean conscience." ★
